

*5th Annual*

## **Around the Park for Autism**

**5K Run / Walk**

**May 13, 2017**

*Cascade Falls Park  
Jackson, MI - 10 a.m.*

**Around the Park for Autism brings help and hope to local families affected by autism.**

This will be our fifth year to make a difference for local families. We will also be providing space for local vendors to let the autism community know about services they provide.

**100% of Around the Park funds will be used to help families in the Jackson Area.**

Funds support Jackson autism programs: family support groups, social groups, special events and community autism awareness. Jackson Autism Support Network is a 501c3 organization 100% funded by donations.

**You can help by becoming a sponsor!**
